

NOTICE

This Notice is to inform you that the Cheyenne Housing Authority Board of Commissioners has opened the Public Comment Period for acceptance of comments on a repayment Agreement Policy That Applies to All CHA Housing Programs.

CHA currently has a Repayment Agreement Policy for the Public Housing program (included in the Admissions and Continuing Occupancy Policy) and for the Housing Choice Voucher program (included within the Administrative Plan). By policy, no other programs currently offer a repayment agreement.

There are no HUD mandates or other regulations that require the CHA to enter into a repayment agreement with a tenant - except for the Multifamily program (Indian Hills Manor and Pine Bluffs). Adoption of the same Repayment Agreement Policy for all Programs would:

1. Support successful tenancy by providing a method for tenants to meet their financial obligations while maintaining responsible tenancy
2. Help CHA recover debt that otherwise would not be manageable by the tenant.

The proposed Repayment Agreement Policy is available for review on the Cheyenne Housing Authority website at www.cheyennehousing.org or at the Cheyenne Housing Authority's offices:

- In Cheyenne at 3304 Sheridan Street, Cheyenne, Wyoming.
- In Laramie at 1265 North 3rd Street, Laramie, Wyoming.

Comments on the proposed Repayment Agreement Policy that Applies to all CHA Housing Programs are to be submitted in writing (US Mail, email, or hand delivered) to the Cheyenne Housing Authority before 12 NOON Monday January 03, 2023 to:
