## Reasonable Accommodation/ Modifications Request

A reasonable accommodation is a change, exception, or adjustment to a rule, policy, practice, or service that may be necessary for a person with disabilities to have an equal opportunity to use and enjoy a dwelling, including public and common use spaces, or to fulfill their program obligations.

A reasonable accommodation or modification may be requested at any time either verbally or in writing.

CHA will provide a form that you may but are not required to use that indicates what information CHA will need to evaluate your request.

Verification from a Qualified Individual such as a doctor or other medical professional, peer support group, non-medical service agency, or reliable third party who is in a position to know about the individual's disability can also but is not required to be provided on this form.

If you or anyone in your family is a person with a disability and you need a reasonable accommodation to effectively utilize our programs and services, Please Contact Cynthia Keseru at [Ckeseru@Cheyennehousing.org](mailto:Ckeseru@Cheyennehousing.org)
